Reserved tours take place rain or shine in most cases. In the event of a hurricane or tropical storm, we can reschedule the trip to a later date.

- We recommend comfortable shoes, casual clothing, sunscreen, bug spray, and plenty of water given that some of the program takes place outdoors.
- Teachers and chaperones must supervise students at all times in all areas of the park and be ready to support DHT educators with all activities.
- There must be 1 chaperone for every 10 students.
- All cell phones (teachers/chaperones/students) should be on silent and put away during the tour.
- If at any time DHT educators witness behavior that puts at risk the group, other visitors, or the site, the group may be asked to leave the premises and forfeit the remainder of its visit.

**Accessibility**

- Although most site visit areas are physically accessible, not all areas support visual or hearing impairments. During the registration process please make the School Programs Manager aware of any special needs your group may have.
- To request materials in accessible format, sign language interpreters, and/or any accommodation, please contact the School Programs Manager a minimum of 14 calendar days in advance of your visit to initiate your request: education@dadeheritagetrust.org or 305-358-9572.

**Bags & Backpacks**
